Grateful Journeys program celebrates outstanding care

[Grateful Journeys](#) is a special program designed to empower patients to recognize the caregivers and other hospital staff who have gone above and beyond in their work, through a donation or a note of thanks. It's easy to get involved: [visit our website](#) to learn more. Every employee who is honored through Grateful Journeys will receive a certificate of appreciation, and their team will be notified to celebrate the lasting impact they've made. Countless caregivers have been recognized for their compassion — from medical professionals to support staff — and we are proud to continue celebrating their dedication.

Grateful Journeys shout-out

Priscilla Bravo

"Priscilla did amazing! She was pleasant and didn't make me feel like a bother. My hands and arms were immobile and I highly relied on staff. Thank you!" - Patient

Grateful Journeys shout-out

Raquel Goulart

"Excellent care and concern! I would like to thank with all my heart the team that took care of me while I was here at Adventist Health." - Patient

Grateful Journeys shout-out

Dr. Mina Raju

"Dr. Raju was perfect, she made me feel cared for. Everyone was such a blessing. Thank you!" - Patient

Grateful Journeys shout-out

Marie Rocha & Jaquelin Camargo

"They were so kind and patient. I have never experienced such kindness from medical professionals. I want all my medical care to be with Adventist Health." - Patient

Memorial Butterfly Release is April 26

We invite you to join us on Saturday, April 26 at 10 a.m. at the Tos Residence for our annual [Memorial Butterfly Release and Service of Remembrance](#), a heartfelt tribute to those we have loved and lost. Participants may reserve a butterfly to release in honor of someone dear to them — a symbol of remembrance, love and hope. This special gathering will feature music, words of inspiration and light refreshments, offering a space for reflection and connection.

Your support helps ensure that hospice patients receive compassionate end-of-life care, while their loved ones have access to essential support services, including counseling, respite care and guidance through their journey of grief.

We hope you will [join us as we celebrate lives](#), cherish memories and embrace the power of hope together.

Hundreds find creative outlet in *Alli's Inspirations*

Alli's Inspirations coloring books and word searches have touched the lives of more than 650 patients since the books were introduced last year, offering patients a meaningful outlet for creativity during their hospital stays. This initiative was made possible through a generous donation from **Debbie Cordero** and **Sharon Carvalho**, in memory of Alli Cordero, who passed away nine years ago after a courageous battle with cancer. Alli, a lover of art and coloring, found comfort in these activities during her own time in the hospital, and this program beautifully honors her memory.

Thank you, Kings County Sheriff's Office

A heartfelt thank you to the dedicated **Kings County Sheriff's Office** for their incredible support over the past five years! Each October, they've championed breast health by selling pink patches and generously donating the proceeds to our Breast Care Center at Adventist Health Hanford. This year, they took their efforts a step further with a collaborative fundraiser alongside **One Eleven Coffee** and **Raising Cane's**, making an even greater impact.

We are deeply grateful for their unwavering commitment — not only to keeping our community safe but also to supporting vital health initiatives that change lives.

Donation drives change

We extend our deepest gratitude to **Kings Speedway** and **Peter Murphy Racing** for their incredible support of local breast care services. Their generosity and commitment to the community were on full display this year, culminating in an outstanding donation of more than \$18,600 to support breast health initiatives right here in Hanford.

A special thank you to **Peter Murphy** for his leadership and dedication during Breast Cancer Awareness Month. Your partnership and passion for giving back continue to make a meaningful impact on the lives of those we serve.

Together, we are driving change and racing toward a future of hope and healing.
